# Invitation Onion Day

Thursday 24 August 2023

[www.uiendag.nl](http://www.uiendag.nl)

## The Resilient Onion!

You are warmly invited to the Onion Day 2023!

9.00 a.m to 6.00 pm

Water, Soil and riding, Robotization. There's something for everyone!

### Trusted Onion Day

You can expect the traditional setup to include:

- **Pilot field tours** Organized tour of objects at the UIKC onion trail field.
- **Onion-Plaza** The information market and mechanization field at the farm.

There is a possibility to renew your Dutch Sprayer license, part Cultivation. Registration desired!  
For signing up, see the website.

Go to [www.uiendag.nl](http://www.uiendag.nl) or scan the QR-code for more information.

- **Multiple guided tours spread out over the day:** Irrigation with sweet and salty water, fertigation, thrips control, fertilization, varieties, chemical and mechanical weed control, biostimulants and raised beds and ridge cultivation.
- **2 separate tours Soil and riding** Tires, pressure exchange systems and more.
- **2 separate tours Robotization** What does the future hold?
